Sen. Hammerstrom and colleagues join Red Hat Society

April 1, 2004 – State Sen. Beverly Hammerstrom, R-Temperance, and her female Republican colleagues decided to join with their international sisterhood and greet middle age with humor and grace by becoming members of the Red Hat Society. The Red Hat Society was founded based on a poem titled “Warning” by Jenny Joseph about wearing a red hat with a purple outfit. Sen. Hammerstrom (at podium) is joined by Sens. Patty Birkholz, Shirley Johnson, Laura Toy, Nancy Cassis and Michelle McManus.
